Mining and Automotive Skills Alliance

AUR3122X Certificate III in Mobile Plant Technology – Core units

Proposed changes made to the list of core units required:

AUR31220 current core units	AUR3122X proposed core units	Change
AURAEA002 Follow environmental and sustainability best practice in an automotive workplace	AURAEA002 Follow environmental and sustainability best practice in an automotive workplace	No change
AURASA102 Follow safe working practices in an automotive workplace	AURASA102 Follow safe working practices in an automotive workplace	No change
AURTTK102 Use and maintain tools and equipment in an automotive workplace	AURTTK102 Use and maintain tools and equipment in an automotive workplace	No change
AURETR112 Test and repair basic electrical circuits	AURETR212 Test and repair basic electrical circuits	AURETR212 supersedes and is equivalent to AURETR112
AURETR125 Test, charge and replace batteries and jump-start vehicles	AURETR225 Test, charge and replace batteries and jump-start vehicles	AURETR225 supersedes and is equivalent to AURETR125
AURTTA006 Inspect and service hydraulic systems	AURTTA106 Inspect and service hydraulic systems	AURTTA106 supersedes and is equivalent to AURTTA006
AURTTA104 Carry out servicing operations	AURTTA204 Carry out servicing operations	AURTTA204 supersedes and is equivalent to AURTTA104
AURTTA105 Select and use bearings, seals, gaskets, sealants and adhesives	AURTTA205 Select and use bearings, seals, gaskets, sealants and adhesives	AURTTA205 supersedes and is equivalent to AURTTA105
AURTTA118 Develop and carry out diagnostic test strategies	AURTTA218 Develop and carry out diagnostic test strategies	AURTTA218 supersedes and is equivalent to AURTTA118
Not a core unit in AUR31220	AURETK002 Use and maintain electrical test equipment in an automotive workplace	Added to core – previously a general elective – no change to unit
Not a core unit in AUR31220	AURETR132 Diagnose and repair automotive electrical systems	Added to core – previously a general elective – no change to unit
Not a core unit in AUR31220	AURTTE204 Inspect and service engines	Added to core – previously a Forklift and EWP specialist elective and general elective – AURTTE204 supersedes and is equivalent to AURTTE104
Not a core unit in AUR31220	AURTTK001 Use and maintain measuring equipment in an automotive workplace	Added to core – previously an EWP specialist elective and general elective – no change to unit

The number of core units increases from 9 to 13.

The total number of units remains at 36, so the number of elective units required reduces from 27 to 23.

The rules for importing units also change:

- AUR31220 allows up to 6 units from a Certificate II qualification or above in this or another endorsed Training Package or accredited course.
- AUR3122X allows up to 2 units from a Certificate III qualification or above in the AUR Training Package and up to 2 units from a Certificate III qualification or above in another endorsed Training Package or accredited course.
