

Qualifications

Existing RII 9.0		RII 10.0							
Code	Title	Code	Title	Draft 1 changes	Draft 1 Rationale	E/ N	Draft 2 Changes	Draft 2 Rationale	E/ N
RII30719	Certificate III in Emergency Response and Rescue	RII307XX	Certificate III in Emergency Response and Rescue	Updates to packaging rules to include 1 additional core unit of competency Added to the core: PUASAR022 Participate in a rescue operation	One additional unit of competency moved from Elective Group A into the core. In response to feedback received on the essential operations that an emergency responder carries out.	N	Removed proposed core unit PUASAR022 Participate in a rescue operation. Retained PUASAR022 Participate in a rescue operation as an elective	Feedback from consultation indicated PUASAR022 is not essential in all emergency response operations nationally and should remain as an elective.	E
RII30719	Certificate III in Emergency Response and Rescue	RII307XX	Certificate III in Emergency Response and Rescue	Updates to packaging rules to include 1 additional elective unit of competency	One additional unit of competency added to the electives. In response to feedback received on the varied environments the qualification is relevant. To allow for flexibility in delivery according to site specific requirements.		No further change	No further change	
RII30719	Certificate III in Emergency Response and Rescue	RII307XX	Certificate III in Emergency Response and Rescue	Removed elective unit:	HLTAID011 Provide First Aid is included as a pre-requisite to PUASAR022		HLTAID011 Provide First Aid to be reinstated as an elective to Group A.	Retain HLTAID011 as an elective to provide clear visibility of the total number of core and elective units
