AURSS00072 Vehicle Air Conditioning Installation Skill Set

AURSS00072 Vehicle Air Conditioning Installation Skill Set

Modification History

Release	Comments
1	This skill set was first released in AUR Automotive Retail, Service and Repair Training Package Release 10.0.

Description

This skill set addresses the skills and knowledge required to install new automotive air conditioning systems in vehicles and machinery in the automotive service and repair industry.

It is intended for individuals working in automotive electrical and mechanical service and repair roles who need to develop or update specialist skills in air conditioning installation.

Licensing/Regulatory Information

Automotive refrigerant handling licences, or trainee licences, apply to those handling refrigerants while undertaking training and are administered by the Australian Refrigeration Council, which should be contacted for further information.

Pathways Information

The unit in this skill set provides credit towards qualifications that allow for the selection of this unit.

Entry Requirements

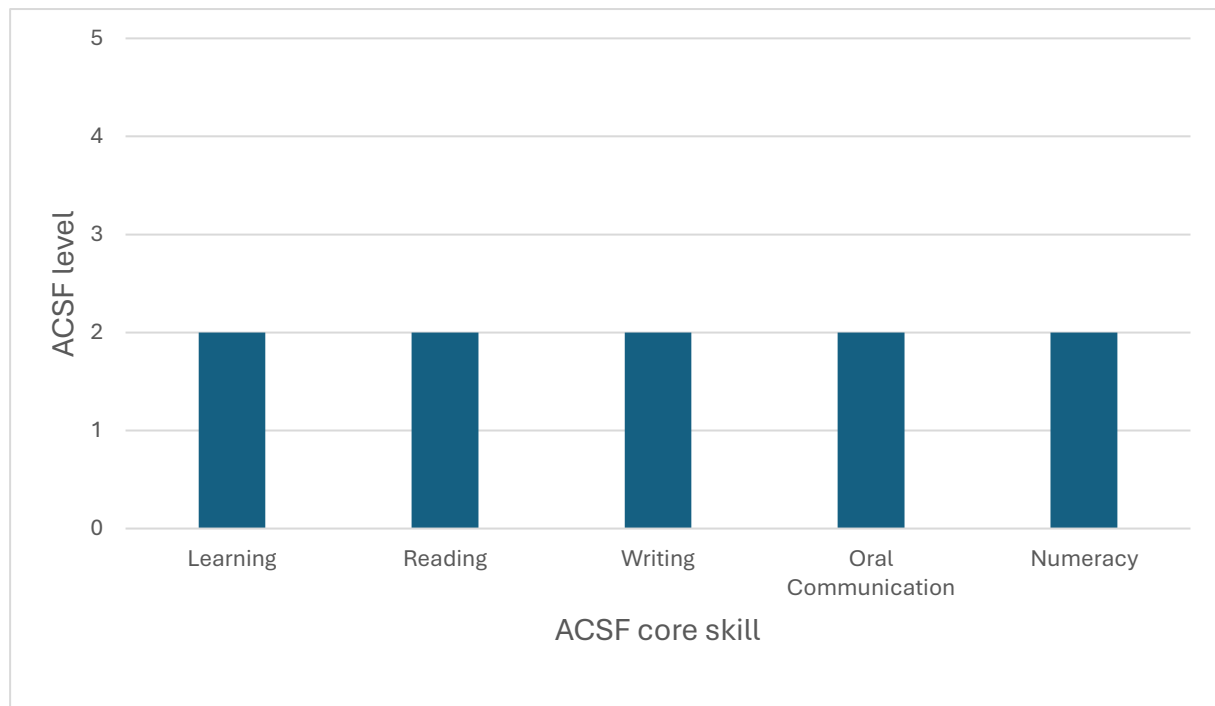

This skill set is limited to those who have completed one of the following qualifications:

- AUR20226 Certificate II in Automotive Air Conditioning Technology or equivalent
- AUR20420 Certificate II in Automotive Electrical Technology or equivalent
- AUR21220 Certificate II in Automotive Underbody Technology or equivalent
- AUR30320 Certificate III in Automotive Electrical Technology or equivalent
- AUR30420 Certificate III in Agricultural Mechanical Technology or equivalent
- AUR30620 Certificate III in Light Vehicle Mechanical Technology or equivalent
- AUR31120 Certificate III in Heavy Commercial Vehicle Mechanical Technology or equivalent
- AUR31220 Certificate III in Mobile Plant Technology or equivalent
- AUR31420 Certificate III in Automotive Diesel Fuel Technology or equivalent
- AUR31520 Certificate III in Automotive Diesel Engine Technology or equivalent

- AUR32126 Certificate III in Automotive Body Repair Technology or equivalent
- AUR32721 Certificate III in Automotive Electric Vehicle Technology or equivalent

Foundation Skills Outcomes

The foundation skills outcomes in this skill set are outlined below.

Skill Set Requirements

Code	Title
AURETU101	Install air conditioning systems

Pre-requisite Requirements

There are no pre-requisites associated with units packaged in this skill set.

Skill Set Mapping Information

Previous Code and Title	Equivalence	Comments
AURSS00042 Vehicle Air Conditioning Installation Skill Set	Equivalent	Superseded by and equivalent to AURSS00072 Vehicle air Conditioning Installation Skill Set
